

The Recovery Center of Hamilton County (RCHC)
is asking you to support our 2022 fundraiser:

BASKETS OF KINDNESS

*Buy a Basket of Kindness and help us
Promote Wellness, Inspire Hope, and Change Lives*

We are selling premium, florist grade 6" poinsettias. Your choice of red, pink, or white, decorated with Christmas greens and wrapped in a Basket of Kindness for \$22.00. All proceeds support RCHC's mission of promoting health and wellness through empowerment, education, and peer support so individuals affected by mental illness can live fulfilling lives in our community.

“

Without the Recovery Center, I'm not sure I would feel as good as I do these days. Before, I was struggling to make it through. Now, I'm working, I'm returning back to the person I was, and I'm giving back to the Recovery Center through my volunteering efforts. This place has truly changed my life.

How Can I Show My Support?

You can show your support and save lives by placing your order today!

recoverycenterhc.org/rchc-store

Your Basket of Kindness purchase empowers and supports us in nurturing hope! Your help increases our capacity to reach out to our community, especially to those who are struggling with isolation, stress, and anxiety caused by the pandemic. Your support truly does save lives.
