

The Recovery Center of Hamilton County in conjunction with Northgate Greenhouses presents our annual Holiday Fundraiser

BASKETS OF KINDNESS

We are selling premium, florist grade 6" poinsettias. Your choice of red, pink, or white, decorated with Christmas greens and wrapped in a Basket Of Kindness, all for \$22.00. Each basket purchased will help individuals to recover what is lost when struggling with mental illness. We invite you to help us empower our peers who are recovering and rediscovering their self-esteem, self-awareness, health, safety, and community.

When I came to the recovery center I didn't speak much. Now 5 years later, I can communicate with people and I volunteer at the front desk and in the kitchen. Also I have got a job and I love the new me! The Recovery Center has changed me a lot!

BUY A BASKET. SPREAD KINDNESS. CHANGE LIVES!

**PURCHASE YOUR BASKET BY VISITING
RECOVERYCENTERHC.ORG/RCHC-STORE**

baskets are for pick-up only

Your Basket of Kindness purchase empowers and supports us in nurturing HOPE! Your help increases our capacity to reach out to our community, especially to those who are struggling with isolation, stress, and anxiety caused by the pandemic. Your support truly does save lives.
